NOTE.—As regards some of the denominations the year 1859 shows an apparent falling off in the number of buildings used for public worship, and in the amount of accommodation provided. This is in consequence of those denominations having for that year given returns only of the regular churches and chapels, and not of the other buildings in which services were held.

**NOTE.**—Up to the period of this page being printed, the Board of Education had been unable to supply a detailed return of Common Schools for the year 1865, and hence the above return for 1864, which was published last year, has been reprinted. Should the statement for 1865 be furnished in time, it will be given in a subsequent portion of this work.
