ABOUT THIS PUBLICATION

This publication is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents.

A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service <<http://www.abs.gov.au>>.

PUBLICATION PRICES

Prices include postage both within Australia and overseas.

SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service.

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address label used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

NEW PUBLICATIONS AND PRODUCTS

1367.2 *State and Regional Indicators, Victoria, September Quarter 2001* (\$23.00)

Major monthly and quarterly statistical series covering State accounts, population and vital statistics, centrelink payments, employment and unemployment, wages and prices, production, building, investment, business expectations, commercial and private finance commitments, new motor vehicle registrations, retail turnover, overseas trade, tourist accommodation, materials diverted to recycling, and air and water quality.

3222.6 *Population Projections, Tasmania, 1999 to 2021* (\$28.00)

Contains alternative projections (based on different assumptions as to future fertility, mortality and migration) of the resident population of Tasmania, the Statistical Local Areas and Local Government Areas at five-yearly intervals from 1999 to 2021. Also includes number and percentage of population at selected ages, sex, median ages, as well as detailed notes on the assumptions.

6324.0 *Work-Related Injuries, Australia, September 2000* (\$19.50)

Provides information on persons who worked at some time in the previous 12 months and who suffered a work-related injury or illness. These people were asked whether they suffered the injury in their current or previous job; the number of illnesses or injuries suffered; the number of days/shifts absent from work due to the injury/illness; sources of financial assistance; whether they applied for workers' compensation; and the reason they did not apply for workers' compensation. Estimates can be cross-classified with labour force characteristics and demographics such as State, sex, relationship in household, marital status, birthplace, occupation, industry.

8567.0 *Hire Industries, Australia, 1999–2000* (\$18.50)

Contains information about the plant and equipment and household goods hire industry. Data includes: industry size; employment; income; expenses; and net operating surplus with selected information broken down by business size and by State. Additional data not included in this publication may be available on request.

8137.0.55.001 *Business Register Counts of Business Locations, Part (ANZSIC A – D) by Statistical Local Areas, December 1999*

This December 1999 extract is an abridged version (ANZSIC A–D) as Business Frames are no longer supporting location data for ANZSICs E–Q. The geography has been backcast to ASGC 1998 to be in line with Sept 1998 Extract (ANZSIC E–Q).

8138.0.55.001 *Australian Business Register, ANZSIC Industry Class by State, October 2000*

Population for this data set is employing single State ABNs registered and active for GST on the ABR as at October 2000 ie data excludes multi State entities and businesses not both registered and active for GST. Data in this table is suppressed if less than 5 ABNs are contributing to that cell or the publication of the cell would identify the contents of another cell with less than 5 ABNs. Industry classification in this table is at all ANZSIC levels. Turnover size range is the sizing variable used in this data set.

8140.0.55.002 *Summary of Industry Performance, Australia, Data Report — Electronic Delivery, 2000–01* (\$205.00)

Presents a summary of industry performance indicators (i.e. selected aggregates, industry ratios and business averages) based on profit and loss and balance sheet accounts of public trading and private employing businesses for all industries. The estimates are provided at ANZSIC Subdivision level and contain revisions that have resulted from analysis of the most recent years data. For many subdivisions separate statistics are also available for large businesses and small and medium businesses.
