As a result of an oversight in 2001 Census processing, 75,220 responses to the question on Religious Affiliation have been included in the category '2000 Christian, n.f.d.' in the Religious Affiliation classification. These responses should correctly be included in the category '2400 Pentecostal, n.f.d.'. The 'Christian n.f.d.' category forms part of the group 'Other Christian' which appears in the Basic Community Profile (BCP), while 'Pentecostal n.f.d.' forms part of the 'Pentecostal' group in the BCP.

A Fact Sheet which provides the correct figures is available from the ABS, and corrected data will be published in the second release of the BCP.
