ABOUT THIS PUBLICATION

This publication, previously known as *Publications Issued in [Month]*, is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents. A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service (<http://www.abs.gov.au>).

PUBLICATION PRICES

Prices include postage both within Australia and overseas (economy air).

SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service.

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

5253.0

Information Paper: Upgraded Australian National Accounts, June 1998 (\$10.00)

Provided details of the impact on the national accounts of the implementation of revised international standards contained in the 1993 version of the "System of National Accounts" (SNA93) and of the adoption of annual benchmark estimates obtained from balanced annual supply-use tables. This addendum to the publication (released on 11 November) will include the June quarter 1998 national accounts estimates compiled on the SNA93 basis and will show the new table formats which will be adopted from the September quarter 1998 issue of Cat. no. 5206.0 onwards. These table formats were also provided in Cat. no. 5253.0.

6541.0.30.001

Income and Housing Costs Survey, Australia: Confidentialised Unit Record File on CD-ROM, 1996-97 (\$7,500.00)

A file containing unit record data from the Survey of Income and Housing Costs. It is confidentialised and as such contains no names and addresses and the detail for some items of data has been reduced. The file is distributed on CD-ROM as specified by the purchaser. Subject to the limitation of sample size and the data classifications used, it is possible to manipulate the data, produce tabulations and undertake statistical analyses to individual specifications.

8698.0

Waste Management Industry, Australia, 1996-97 (\$16.00)

Contains detailed information about the waste management industry in Australia. Includes sources of income and expenditure, characteristics of employment and persons working, business size analyses, State and Territory data as well as a range of performance ratios for the industry.

8755.0

Building Activity, Building Work Done, Australia, September Quarter 1998, Preliminary (\$15.00)

Presents preliminary building activity statistics for the value of work done at the National level. The data items included are new houses, total residential building, total non-residential building and total building. Original, seasonally adjusted and trend estimates are provided in current prices and chain volume measures, reference year 1996-97.
