## BULLETIN No. 5. — WESTERN AUSTRALIA

### PREFACE

This bulletin contains particulars of motor vehicles which were on the register in Western Australia at 31st December, 1962. It is one of a series of Bulletins which are being issued for each State, the Northern Territory, the Australian Capital Territory and for Australia.

The statistics herein have been derived from particulars of motor vehicle registrations made available by the Registration Authorities throughout the State. Details of vehicles owned by the Commonwealth Government, except those belonging to the Defence Services, have been extracted from records held by the Commonwealth Registry, Department of the Interior, Canberra, and are included in all tables.

The analysis relates to the type of vehicle, make, horsepower (except motor cycles), and year of model for vehicles which were registered at 31st December, 1962. Motor cars, trucks, omnibuses and motor cycles are classified into body types, while utilities, panel vans, trucks and omnibuses are grouped according to tare (unladen) weight. Diesel-powered trucks and omnibuses are shown separately in Tables Nos. 20 and 23 respectively. In Table No. 24, omnibuses are shown by make of vehicle and passenger capacity.

All vehicles, except Commonwealth Government-owned vehicles listed with the Commonwealth Registry, Canberra, are classified in Table No. 25 by local government area according to the address recorded on the registration certificate. Vehicles owned by State, semi-governmental and local government, and Commonwealth Government departments, boards, commissions, etc., are shown separately in Table No. 26.

In all tables, the information published has been condensed somewhat from the full detail available from the Census collection. Further detail is obtainable on application to the Deputy Commonwealth Statistician, Perth or the Commonwealth Statistician, Canberra.

Previous enumerations of this nature were the Census of Motor Vehicles, 31st December, 1955 and the Survey of Motor Vehicles, 1947-48. The results were published in a series of bulletins and, in summarized form, in issues of the annual bulletin *Transport and Communication*—No. 48, 1956-57 (1955 Census) and No. 40, 1948-49 (1947-48 Survey).

My thanks for the information supplied at the 1962 Census are extended to the staffs of the Motor Registration Branches and of the Commonwealth Registry, Department of the Interior, Canberra.

I also desire to express my appreciation of the work done in the organization and supervision of the Census and in the preparation of this Bulletin by Mr. E. J. Starkey, B.Com., the former Supervisor of the Trade and Transport Branch, and by Mr. L. M. Young and the officers of the Transport and Communication Section.
