***TranStats*, A new way of looking at the Australian motor vehicle fleet**

TranStats—Small Area Motor Vehicle Data 1995–97

TranStats is a new CD-ROM product providing easy access to comprehensive data on the Australian motor vehicle fleet. It comes complete with ABS Integrated Regional Data Base (IRDB) software and optional mapping facilities. Vehicle data from the annual *Motor Vehicle Census* and monthly *New Motor Vehicle Registration* collections are combined with key economic and demographic data from the Population Census.

TranStats allows users to identify types and locations of vehicles throughout Australia. Examples of output which can be produced include:

- Detailed 1997 Motor Vehicle Census data—that let you combine information by postcode and Australian Standard Geographic Classification (ASGC) boundaries. A variety of data items are included, such as vehicle type, make, model and year of year of manufacture, engine capacity, number of cylinders, fuel type and, for trucks make by tare weight, Gross Vehicle Mass (GVM) and Gross Combination Mass (GCM).
- Summary tables from the 1997 Motor Vehicle Census—includes 1995 to 1997 time series and state data which allows easy access to broad level motor vehicles census aggregates.
- Monthly data on New Motor Vehicle Registrations from July 1993 to November 1998 can be produced by postcode and ASGC boundaries.

Data can be compared with Population Census data including numbers of persons, population density, and income.

TranStats can generate information in tables, graphs or, optionally, maps. Data can be exported into most spreadsheet and database formats, and other data can be imported and mapped. *TranStats* is compatible with existing IRDB and AgStats products.

TranStats is of use to anyone interested in knowing about motor vehicles in Australia including manufacturers and distributors of vehicles or spare parts, vehicle repairers, second hand dealers and spare parts retailers.

For more information on *TranStats* please call ABS Marketing Services on 1800 655 436 or contact your local ABS office.
