--	--	--	--	--	--	--	--	--	--

Please correct
any errors

Purpose of Collection

This survey provides information on the characteristics and management capabilities of Australian businesses. The Management Capabilities Module will produce data on management practices for topics such as supply chain, sustainability and digital business. It examines the impact of management on firm performance indicators. The results will be used by analysts and in the development of government policy.

Collection Authority

The information asked for is collected under the authority of the *Census and Statistics Act 1905*. Your cooperation is sought in completing and returning this form by the due date. The Act provides me with the power, if needed, to direct you to provide the information sought.

Confidentiality

Your completed form and personal information remain confidential to the Australian Bureau of Statistics.

Due Date

Please complete this form and return it in the reply paid envelope to the Australian Bureau of Statistics by

Please read this first

- **Important:** This form will be read using electronic equipment.
- Use **only black ball point pen** when completing this form.
- Keep each number, letter or tick within the data entry boxes provided, for example
 or
- Leave answer boxes blank where you have no response or data to enter.
- Do not use 'nil', 'n/a' or draw a line in the data entry boxes.
- If a mistake is made, cross out the incorrect answer and either write the answer in the remaining boxes, for example
 Income \$, ,000
 or if not enough space is left, write next to the relevant item, for example
 Income \$, ,000
- Show a loss/deficit with a negative sign, for example
 \$,000
- Information reported on this form should comply with the Australian equivalents to International Financial Reporting Standards (AIFRS).
- Report on an accruals basis as recorded in the Income Statement and Balance Sheet of this business.
- Report all income items **exclusive of Goods and Services Tax (GST)**.
- Report all expense items **exclusive of Goods and Services Tax (GST)** where this is recoverable as an input tax credit.
- If exact figures are not available, please provide careful estimates.
- Please report all monetary values in **thousands of Australian dollars (A\$'000)**. Where the value in the accounts of this business is not expressed in thousands of dollars, round to the nearest thousand dollars.
- The items listed under **Including** and **Excluding** are examples and should not be taken as a complete list of items to be included or excluded.
- Only the Australian-based activities (including imports and exports) of the business shown on the label should be included on this form. Include details of the participation of the business in any unincorporated joint ventures.
- You will need to report an estimate of time taken when you have completed this form.

Part 1 – Basic financial and business structure information

1 Period covered by financial data on this form

Note

- This form is for the financial year ended 30 June 2016.
- If this business has a different financial year, please report for a 12 month period which ends between 1 October 2015 and 30 September 2016 (e.g. a financial year ending 31 December 2015).

Tick one box

- 1 July 2015 - 30 June 2016
- 1 January 2015 - 31 December 2015
- Other (please specify)

From To

/ / / /

If the period covered by this form is not 12 months, please explain below.

Part 1 – Basic financial and business structure information – (continued)

2 Please describe the activity from which this business derives its main income

Examples (please note this is not an exhaustive list)

- Road freight transport
- Footwear retailing
- House building
- Real estate property management

(Please use BLOCK letters)

3 What was the gross income of this business during the financial period?

Note

- For the purposes of this survey, estimates of financial items are acceptable. You **do not** need to seek exact figures from your accountant.
- Do not report profit/loss.
- Report net of discounts given.
- Report all items **exclusive of Goods and Services Tax (GST)**.

Report in thousands of dollars (\$'000)

- (a) Income from sales of goods or services
- (b) All other business income
- (c) **Total income** (sum of Questions 3(a) to 3(b))

\$

\$

\$

4 What was the expenditure of this business during the financial period?

Note

- For the purposes of this survey, estimates of financial items are acceptable. You **do not** need to seek exact figures from your accountant.
- Report all items **exclusive of Goods and Services Tax (GST)** where this is recoverable as an input tax credit.

Report in thousands of dollars (\$'000)

- (a) Total operating expenses

Including

- Cost of sales

- (b) Total capital expenditure

\$

\$

Part 1 – Basic financial and business structure information – (continued)

5 As at 30 June 2016, how many years had this business been in operation:

(a) **under current ownership?**

Less than 1 year or Number of years

(b) **regardless of changes in ownership?**

Less than 1 year or Number of years

6 Was this business involved in a franchising agreement during the year ended 30 June 2016?

Tick all that apply

- (a) No franchising agreement
- (b) Yes, franchisee (i.e. operated a franchise)
- (c) Yes, franchisor (i.e. controlled a franchise system)

7 What was the percentage of foreign ownership of this business as at 30 June 2016?

Tick one box

- (a) 0%
- (b) Greater than 0% and less than 10%
- (c) Greater than or equal to 10% and less than or equal to 50%
- (d) Greater than 50%

Part 2 – Employment

8 Number of persons working for this business during the last pay period ending in June 2016

Including

- Persons paid a retainer, wage or salary
- Full-time and part-time employees
- Permanent, temporary and casual employees
- Managerial and executive employees
- Employees absent on paid or prepaid leave
- Employees on workers compensation who continue to be paid through the payroll
- Contract minors paid through the payroll

Excluding

- Contractors paid on invoice
- Persons paid by commission only (i.e. a retainer/wage/salary is **not** paid)
- Non-salaried directors
- Self-employed persons such as consultants and contractors who are not employees, working proprietors or partners of this business
- Volunteers

Number

(a) Working proprietors and partners if this is an unincorporated business (e.g. sole trader, partnership or joint venture)

(b) Salaried directors if this is an incorporated business (e.g. Pty Ltd)

(c) All other employees

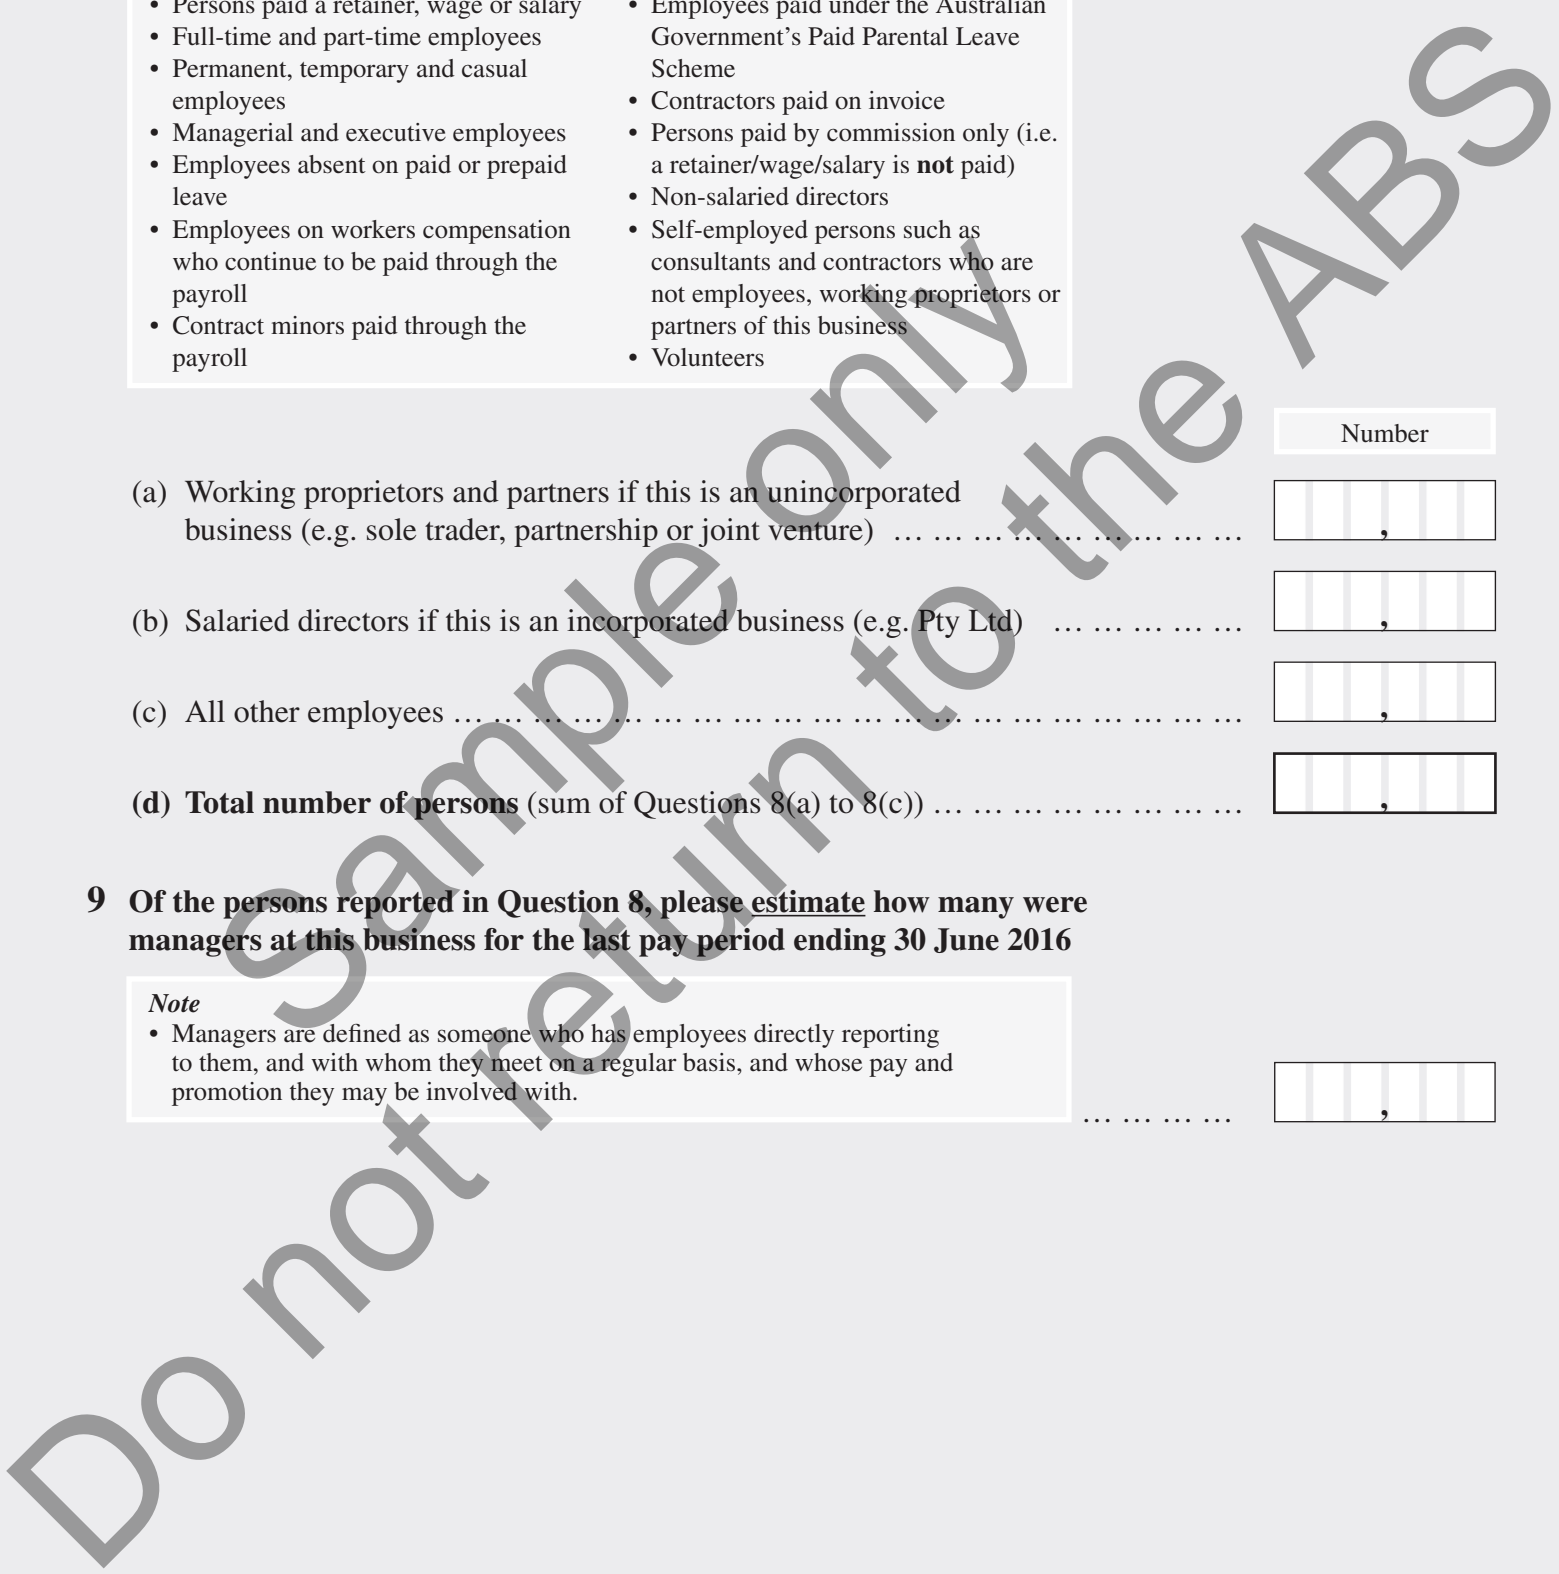

(d) **Total number of persons** (sum of Questions 8(a) to 8(c))

9 Of the persons reported in Question 8, please estimate how many were managers at this business for the last pay period ending 30 June 2016

Note

- Managers are defined as someone who has employees directly reporting to them, and with whom they meet on a regular basis, and whose pay and promotion they may be involved with.

.....

Part 3 – Key Performance Indicators

Notes for Questions 10–17

- The next 8 questions ask about if and how the business measures its own performance. Performance measures are used by businesses to define and measure progress.
- For ease of understanding, the questions use the common business performance measurement term of Key Performance Indicator.
- Key Performance Indicators can cover a range of subjects, for example, financial measures such as income and expense levels, production targets, inventory amounts, delivery time, energy consumption and quality measures.
- When you answer these questions, please only include Key Performance Indicators that were used by the business during the financial year of 1 July 2015 to 30 June 2016.

10 During the year ended 30 June 2016, how many Key Performance Indicators were monitored by this business?

Tick one box

- (a) 1 or 2
- (b) 3 to 5
- (c) 6 to 9
- (d) 10 or more
- (e) Don't know
- (f) No Key Performance Indicators monitored..... **Go to Question 16**

11 What were the topics of focus for the Key Performance Indicators monitored by this business?

Tick all that apply

- (a) Financial measures (e.g. profit, sales, market share, return on investment)
- (b) Operational measures (e.g. asset utilisation, on-time delivery).....
- (c) Quality measures (e.g. customer satisfaction, defect rates) ...
- (d) Innovation measures (e.g. new processes, new value added products) ...
- (e) Human resource measures (e.g. job satisfaction, skills development) ...
- (f) Environmental measures (e.g. recycling program, energy efficiency) ...
- (g) Social measures (e.g. social license to operate, community engagement) ...
- (h) Health and safety measures (e.g. hazard analysis) ...
- (i) None of the above

Part 3 – Key Performance Indicators – (continued)

12 What best describes the period of time covered by Key Performance Indicators set by management at this business?

Tick one box

- (a) Short-term (up to one year) Key Performance Indicators
- (b) Long-term (more than one year) Key Performance Indicators
- (c) Combination of short-term and long-term Key Performance Indicators
- (d) None of the above

13 How frequently were the Key Performance Indicators monitored by managers and non-managers of this business?

Tick all that apply

Non-managers Managers

- (a) Annually
- (b) Biannually
- (c) Quarterly
- (d) Monthly
- (e) Weekly
- (f) Daily
- (g) Hourly or more frequently
- (h) Other review period(s)
- (i) Never

14 What were the performance bonuses of managers and non-managers based on?

Tick all that apply

Non-managers Managers

- (a) No performance bonus system
- (b) Their own performance as measured by Key Performance Indicators
- (c) Their team or shift performance as measured by the Key Performance Indicators
- (d) The business's performance as measured by Key Performance Indicators
- (e) Other (please specify)

Go to Question 16

Part 3 – Key Performance Indicators – (continued)

15 When Key Performance Indicators were met, what percentage of non-managers and managers at this business received performance bonuses?

Tick **one** box per column only

Non-managers	Managers
--------------	----------

- | | | |
|---|--------------------------|--------------------------|
| (a) No performance bonus paid | <input type="checkbox"/> | <input type="checkbox"/> |
| (b) 1-33% (up to one third) | <input type="checkbox"/> | <input type="checkbox"/> |
| (c) 34-66% (up to two thirds) | <input type="checkbox"/> | <input type="checkbox"/> |
| (d) 67-99% (more than two thirds to almost all) | <input type="checkbox"/> | <input type="checkbox"/> |
| (e) 100% (all) | <input type="checkbox"/> | <input type="checkbox"/> |

16 What were the primary ways managers and non-managers were promoted at this business?

Tick **one** box per column only

Non-managers	Managers
--------------	----------

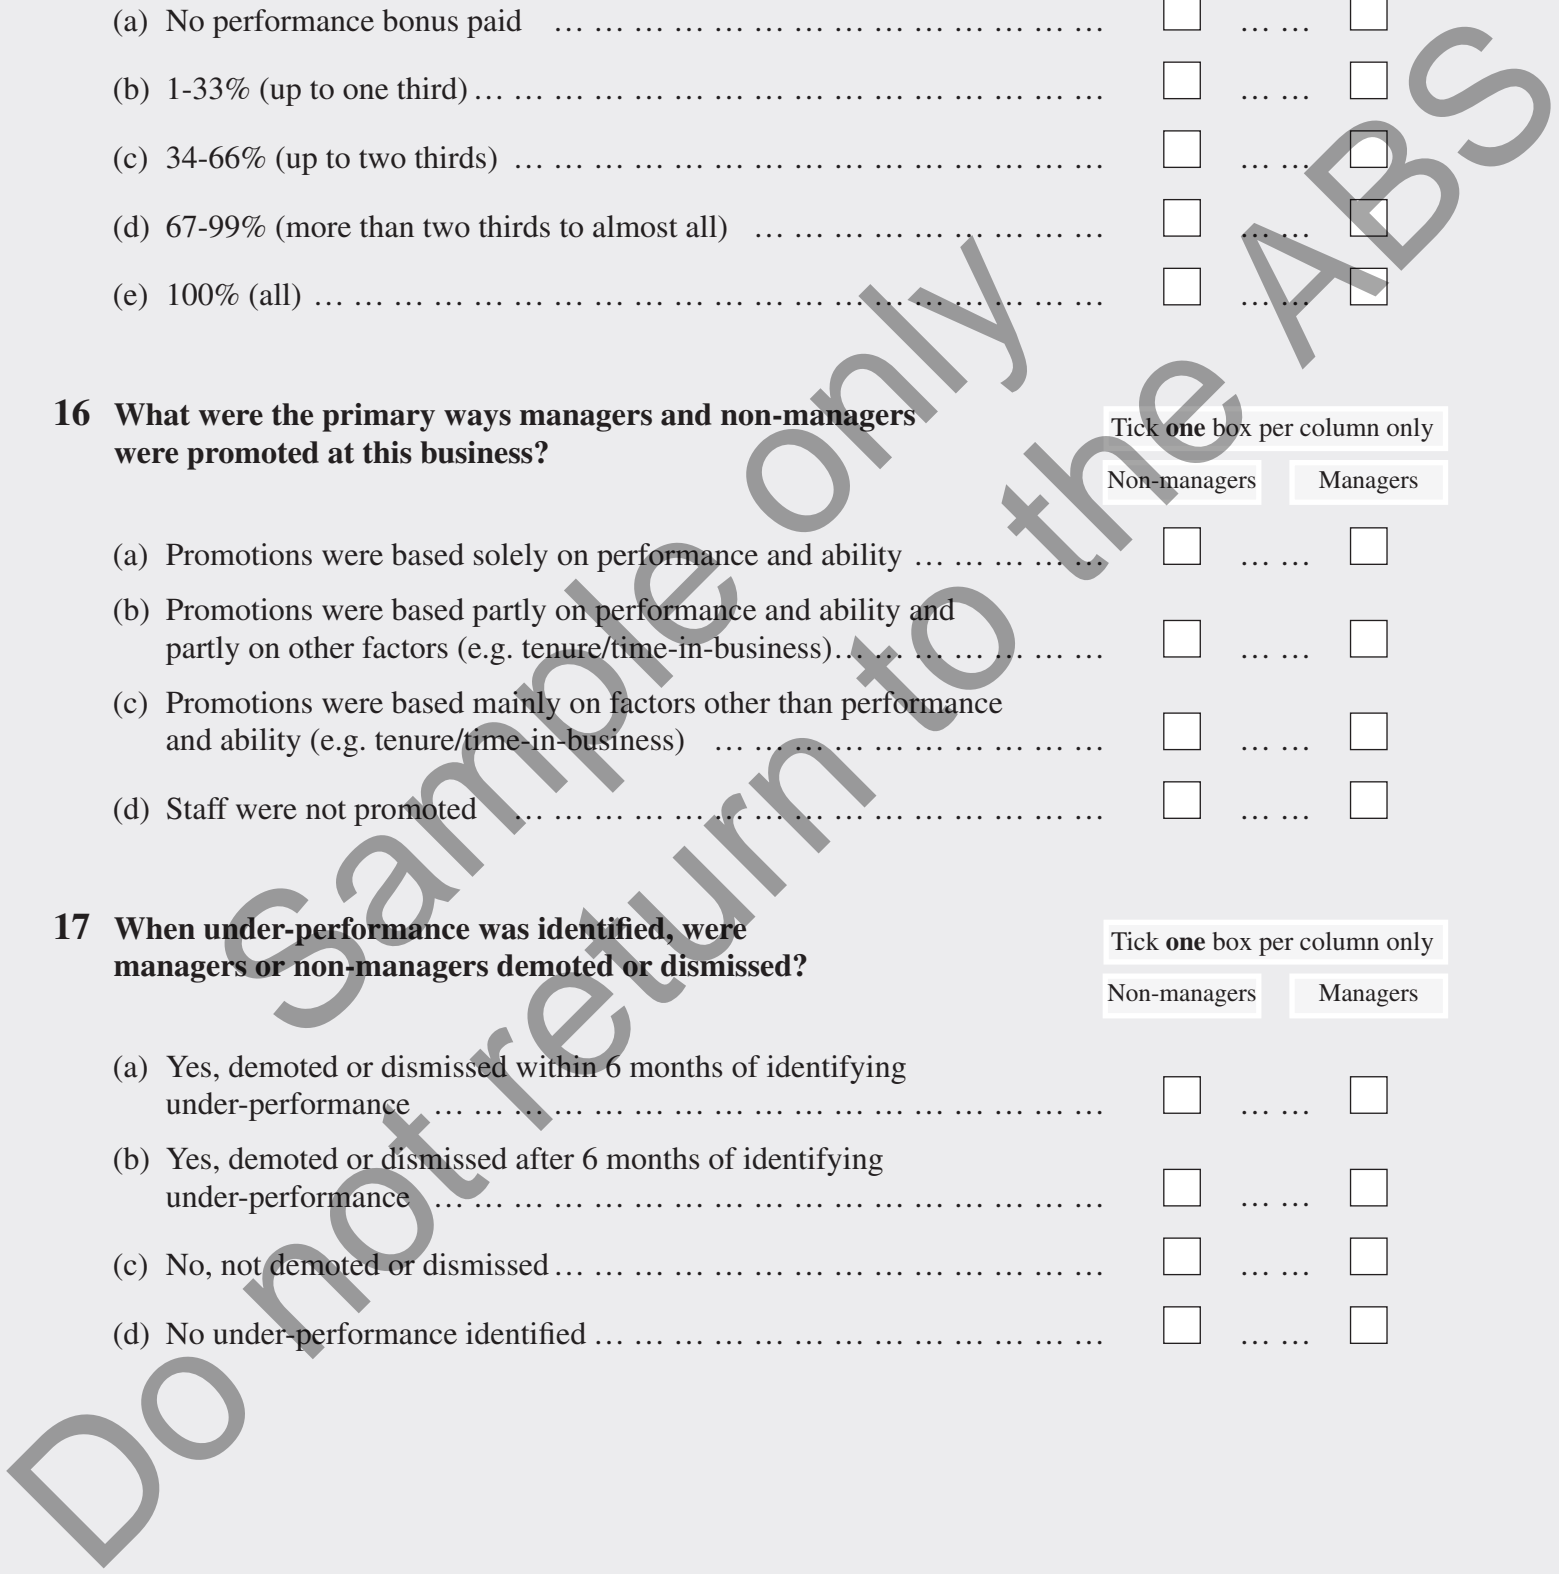

- | | | |
|--|--------------------------|--------------------------|
| (a) Promotions were based solely on performance and ability | <input type="checkbox"/> | <input type="checkbox"/> |
| (b) Promotions were based partly on performance and ability and partly on other factors (e.g. tenure/time-in-business) | <input type="checkbox"/> | <input type="checkbox"/> |
| (c) Promotions were based mainly on factors other than performance and ability (e.g. tenure/time-in-business) | <input type="checkbox"/> | <input type="checkbox"/> |
| (d) Staff were not promoted | <input type="checkbox"/> | <input type="checkbox"/> |

17 When under-performance was identified, were managers or non-managers demoted or dismissed?

Tick **one** box per column only

Non-managers	Managers
--------------	----------

- | | | |
|--|--------------------------|--------------------------|
| (a) Yes, demoted or dismissed within 6 months of identifying under-performance | <input type="checkbox"/> | <input type="checkbox"/> |
| (b) Yes, demoted or dismissed after 6 months of identifying under-performance | <input type="checkbox"/> | <input type="checkbox"/> |
| (c) No, not demoted or dismissed | <input type="checkbox"/> | <input type="checkbox"/> |
| (d) No under-performance identified | <input type="checkbox"/> | <input type="checkbox"/> |

Part 4 – Use of data in decision making – (continued)

20 How frequently were each of the following activities influenced by data analysis at this business?

Note

- Examples of Demand forecasting include market research and expectation surveys.
- Examples of Supply chain management include management of logistics, distribution, sourcing, production processes, purchasing and supply.

Tick all that apply

	Not at all	Daily	Weekly	Monthly	Quarterly	Annually	Ad hoc
(a) Design of new goods or services	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(b) Demand forecasting	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(c) Supply chain management ...	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(d) Environmental management	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

21 How frequently does this business rely on predictive analysis?

Definition

- Predictive analysis is the use of statistical models that provide forecasts in areas such as demand, production or human resources.

Tick all that apply

- (a) Daily
- (b) Weekly
- (c) Monthly
- (d) Quarterly
- (e) Annually
- (f) Ad hoc
- (g) Never

Part 4 – Use of data in decision making – (continued)

22 Did the managers at this business learn about management practices from any of the following sources?

Tick all that apply

- (a) From this business or another business owned by the same company
(e.g. in-house or on-the-job-training)
- (b) Clients, customers or buyers
- (c) Suppliers
- (d) Competitors
- (e) Consultants
- (f) New employees
- (g) Universities or other higher education institutions
- (h) Government agencies
- (i) Private non-profit research institutions
- (j) Commercial laboratories or research and development enterprises
- (k) Websites, journals, research papers or publications
- (l) Professional conferences, seminars, meetings or trade shows
- (m) Industry associations
- (n) Masters of Business Administration (MBA) or other education
- (o) None of the above

Do not return to the ABS

Part 5 – New goods, services, processes or methods

23 During the year ended 30 June 2016, did this business introduce any new or significantly improved goods or services?

Definition

- A **new good or service** means any **good or service** or combination of these which is **new to this business**. Its characteristics or intended uses differ significantly from those previously produced/offered by this business.

Tick all that apply

- (a) Goods
- (b) Services
- (c) None of the above

24 During the year ended 30 June 2016, did this business introduce any new or significantly improved operational processes?

Definition

- A **new operational process** is a significant change for this business in its methods of producing or delivering goods or services.

Tick all that apply

- (a) Methods of manufacturing or producing goods or services
 - (b) Logistics, delivery or distribution methods for goods or services
 - (c) Supporting activities for business operations, such as maintenance systems or processes for purchasing, accounting or computing
 - (d) Other operational processes (please specify)
-
- (e) None of the above

Do not return to the ABS

Part 5 – New goods, services, processes or methods – (continued)

25 During the year ended 30 June 2016, did this business introduce any new or significantly improved organisational/managerial processes?

Definition

- A **new organisational/managerial process** is a significant change in this business’s strategies, structures or routines which aim to improve the performance of this business.

Tick all that apply

- (a) Knowledge management processes to better use or exchange information, knowledge and skills within this business ...
- (b) New business practices for organising procedures (e.g. supply chain management, business re-engineering, quality management) ...
- (c) New methods of organising work responsibilities and decision making (e.g. first use of a new system of employee responsibilities, teamwork, decentralisation, integration or de-integration of departments, education/training systems) ...
- (d) New methods of organising external relations with other businesses or public institutions (e.g. first use of alliances, partnerships, outsourcing or subcontracting) ...
- (e) Other organisational/managerial processes (please specify) ...
- (f) None of the above ...

38 Was there a shortage or deficiency in any of the following types of skills used or needed by this business in undertaking its core business activities?

Definition

- A skills shortage occurs when there is an insufficient supply of appropriately qualified workers available or willing to work under existing market conditions.

Tick all that apply

- (a) Engineering
- (b) Scientific and research
- (c) IT Professionals
- (d) IT technical support
- (e) Trades
- (f) Transport, plant and machinery operation
- (g) Marketing
- (h) Project management
- (i) Business management
- (j) Supply chain management
- (k) Environmental management
- (l) Financial
- (m) Other skill types
- (n) No skills shortages or deficiencies **Go to Question 41**

Do not return to the ABS

Part 7 – Skills – (continued)

39 Were any of the shortages or deficiencies due to any of the following factors?

Tick all that apply

- (a) Specialist skills knowledge required
- (b) Geographic location of business
- (c) Wages or salary costs too high for the business
- (d) Lack of availability or adequate training
- (e) Unsure of long term demand for goods or services
- (f) Recruitment too slow
- (g) Rapid and large market changes
- (h) Digital/technological changes
- (i) Other (please specify)

40 How did management at this business address skill shortages or deficiencies?

Tick all that apply

- (a) More use of external training of staff
- (b) More use of on-the-job or internal training of staff
- (c) Existing workforce worked longer hours (e.g. overtime, weekend work) ...
- (d) Subcontracted or outsourced work to other businesses
- (e) Employed staff on short-term contract basis
- (f) Wages/salaries and/or conditions increased (e.g. bonus payments)
- (g) Sponsored skilled migrants
- (h) Reduced outputs or production
- (i) Other (please specify)

- (j) Did not/could not address skill shortage(s)

Part 8 – Supply chain

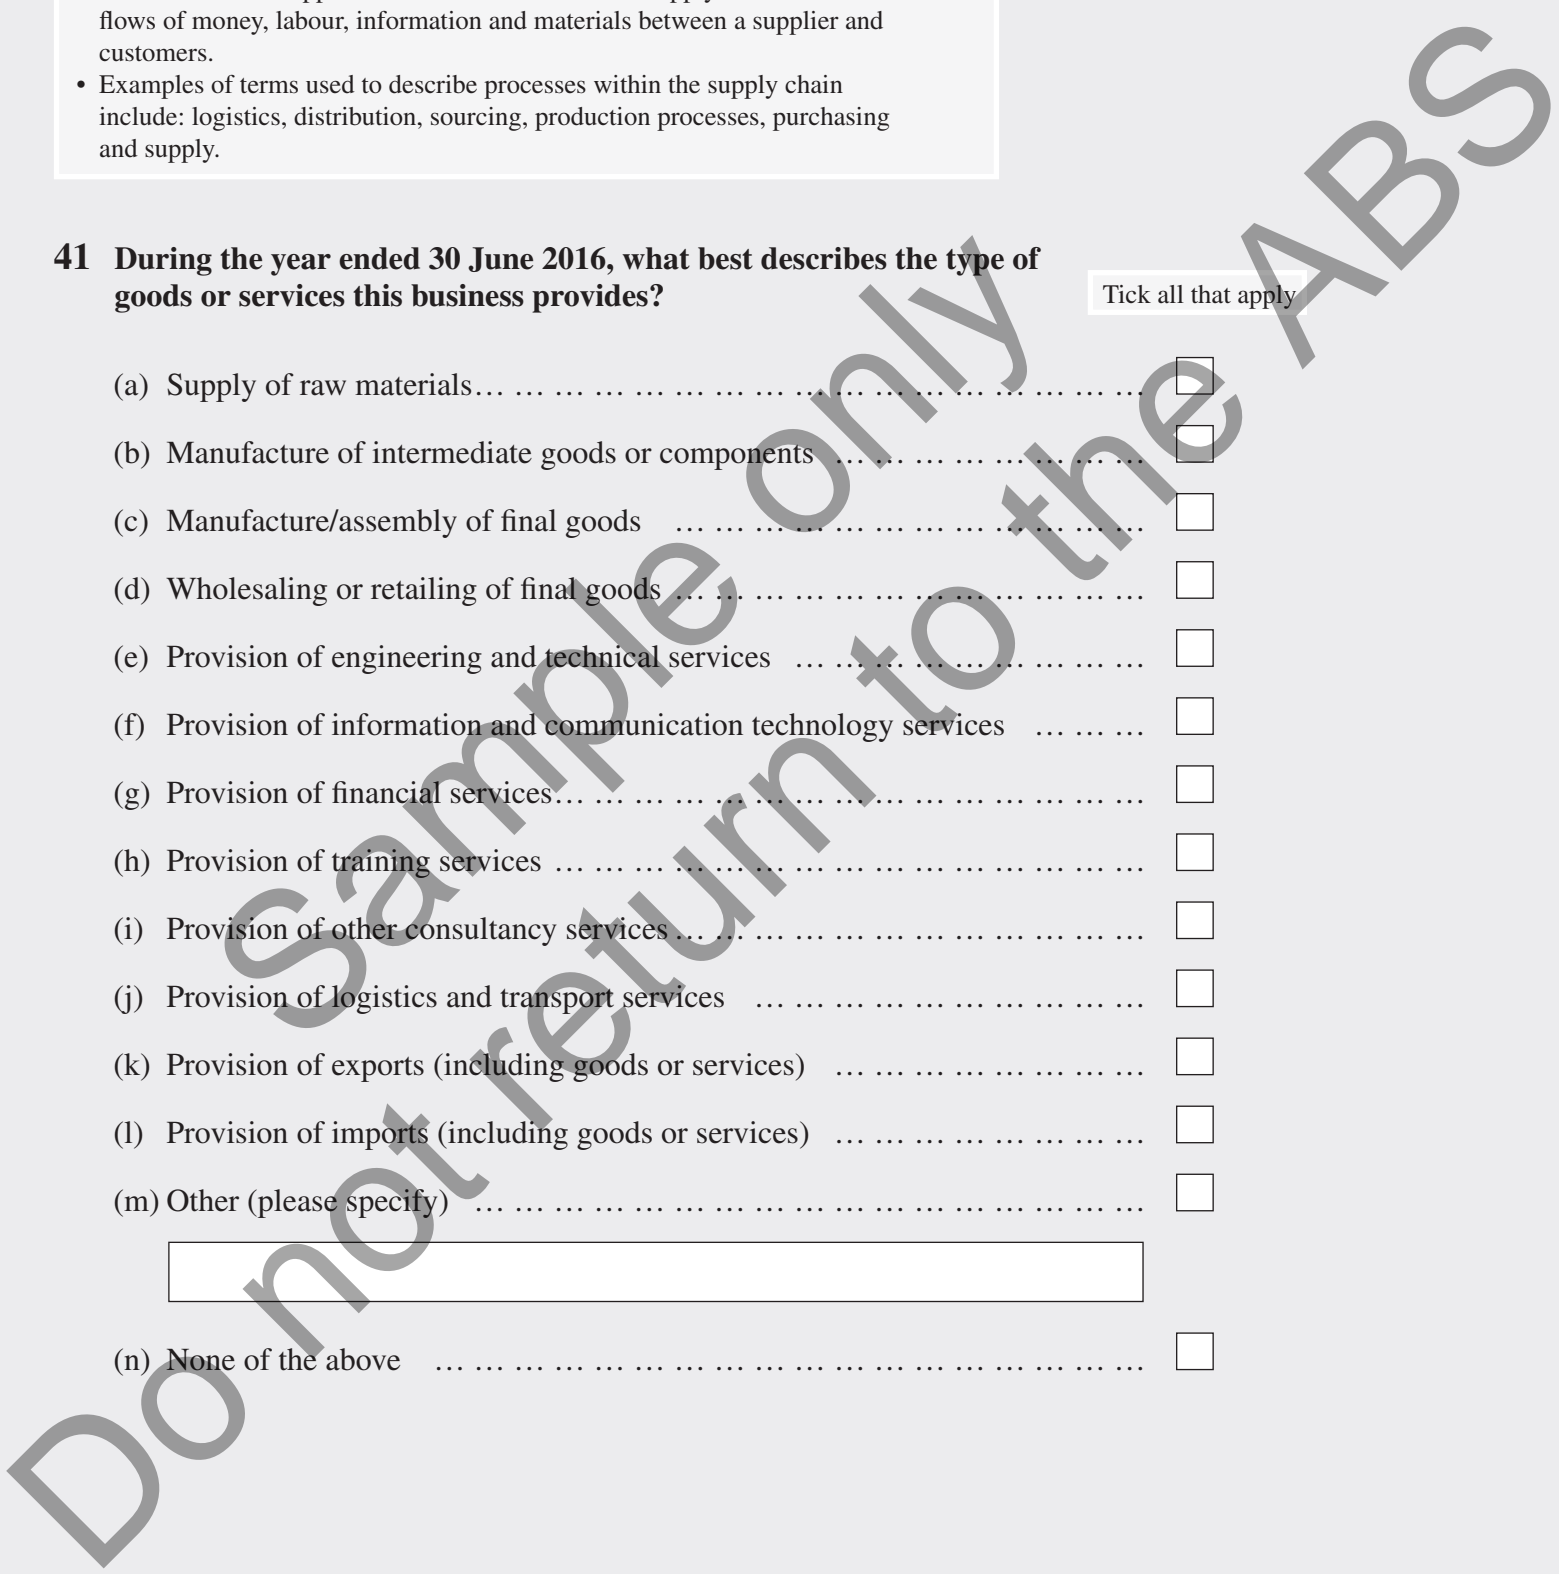

Notes for Questions 41–43

- The next 3 questions ask about this business’s supply chain participation, factors affecting it, and how it is managed.
- Supply chain refers to business processes involved in getting a good or service from the supplier to the customer. Within a supply chain there are flows of money, labour, information and materials between a supplier and customers.
- Examples of terms used to describe processes within the supply chain include: logistics, distribution, sourcing, production processes, purchasing and supply.

41 During the year ended 30 June 2016, what best describes the type of goods or services this business provides?

Tick all that apply

- (a) Supply of raw materials...
 - (b) Manufacture of intermediate goods or components...
 - (c) Manufacture/assembly of final goods...
 - (d) Wholesaling or retailing of final goods...
 - (e) Provision of engineering and technical services...
 - (f) Provision of information and communication technology services...
 - (g) Provision of financial services...
 - (h) Provision of training services...
 - (i) Provision of other consultancy services...
 - (j) Provision of logistics and transport services...
 - (k) Provision of exports (including goods or services)...
 - (l) Provision of imports (including goods or services)...
 - (m) Other (please specify) ...
-
- (n) None of the above...

Part 8 – Supply chain – (continued)

42 Did any of the following factors affect this business's own supply chain (e.g. its suppliers and customers)?

Tick all that apply
